THE HEART OF THE GOLD COAST

Pompano Beach Reimagined

Pompano Beach offers an ideal mix of serenity, sophistication and action. Gorgeous views from the pier and the beach present themselves at every turn. From canopied walkways, playground areas and outdoor gyms to an expansive beachside promenade, Pompano Beach, now dubbed “South Florida’s newest dining and recreation destination,” is a beautiful natural—and cultural—wonderland that’s now entering a new and exciting renaissance period.

With a prime location just north of Fort Lauderdale in the middle of South Florida’s iconic Gold Coast, Pompano Beach is also convenient to just about everything. Just 20 minutes from Las Olas Boulevard and its amazing choices of sidewalk cafés, restaurants, galleries and boutiques, Pompano Beach allows for easy access to the “Venice of America” with its gorgeous canals and waterways. Nearby to the north is Boca Raton, a highly sought-after destination recognized for its historic setting, beautiful beaches, fantastic shopping, lush golf courses and high-end restaurants.

When residents are ready to venture out closer to home, a stunning 18-hole Greg Norman-designed golf course, Whole Foods Market and a range of retail options help ensure that every convenience is easily within reach. On the cultural front, an exciting new creative arts district is being planned and enhancements to the Pompano Beach Cultural Center are also in progress. In addition, the Pompano Beach Fishing Village, a newly-opened walkable beach front development located right on the ocean, is part of an amazing beach front project that includes dune restoration, new beach pavilions, an interactive fountain and 650+ new parking options. Fun restaurants, shopping options and a Hilton-brand hotel are also in various stages of roll-out now and into the next few years.

Best of all, there is a luxurious and full sense of peace, serenity and seclusion at SOLEMAR.

Ideally located. *Perfectly situated.*

Endless possibilities are only minutes away in every direction.
