SOUTH OF FIFTH

MIAMI BEACH'S MOST DESIRED
& WALKABLE NEIGHBORHOOD

Affectionately known as “SoFi” by locals, South of Fifth in Miami’s South Beach is one of the most exclusive, upscale neighborhoods in the country. Chic and elegantly relaxed, this area offers a true beach lifestyle that feels both comfortable and luxurious.

Rich in history, Ocean Drive has been one of the major thoroughfares in Miami Beach for over a century. Featured in countless films as South Beach’s legendary backdrop, Ocean Drive is an iconic address recognized throughout the world.

South of Fifth

Enjoy endless days of sun and surf in one of Miami Beach's most walkable neighborhoods. Sandy beaches, turquoise waters, tropical parks, wellness experiences and dining - all just steps from **Ocean Park South Beach**.

THE TEAM

Multiplan Real Estate Asset Management was established by internationally recognized developer José Isaac Peres to pursue Real Estate development opportunities in the South Florida real estate market. Dr. Peres began developing in Miami Beach more than two decades ago with the luxurious Il Villaggio and today the firm is building two of the beach's most highly anticipated luxury condominium developments: 57 Ocean and Ocean Park South Beach. Over the course of his fifty-year career, Dr. Peres

has established one of the most renowned and dominant real estate portfolios in Latin America. He is the founder and CEO of Multiplan Empreendimentos Imobiliários S.A., the largest publicly listed Real Estate Company in Brazil and has completed more than 35,000 residential condominium units in over 350 projects within Brazil and South Florida. Multiplan's primary objective is to achieve quality and excellence throughout all of its projects with a strong focus on sustainability.
