## INTERIORS

### HOLLY HUNT

Known for a look that is consistently at the forefront of style and quality, The HOLLY HUNT brand has become the premier design and distribution entity for high-end interior furnishings in the country. Holly herself has often been credited with raising the bar in interior design showrooms, due to her tireless attention to detail and visionary artistry. As an arbiter of refined taste, her eye for what is now and what's next has led to international acclaim, and the success of the HOLLY HUNT company as a designer and producer of a wide range of custom-made home furnishings products. ## LANDSCAPE ARCHITECT

### ENZO ENEA

With a background that includes industrial design as well as landscape architecture and a design perspective drawn from global inspiration in London, Brazil, Hawaii, and beyond, the award-winning design of Enea is treasured for its refinement and visual appeal. A hallmark of the firm's projects include a seamless fusion of outdoor and indoor spaces, the creative intertwining of the soul of a property with its surroundings, and an environment that inspires all who interact with the space. ## DEVELOPERS

### SMG MANAGEMENT & W CAPITAL GROUP

SMG Management was created out of the partnership between Shamrock Holdings (the investment vehicle of the Roy E. Disney family) and its business partners, Stanley Gold (Chairman of Shamrock) and Meir Srebernik (former CEO of Dankner Investments). The innovative minds that make up this unique firm are the same behind two beautiful new residential developments: Palau Sunset Harbour, located in the Sunset Harbour neighborhood of South Beach and Peloro Miami Beach located on the Beach's Intracoastal Waterway. Partnering with SMG Management, is W Capital Group – a privately held South Florida real estate investment and development firm specializing in residential properties. Led by Yair Wolff, the firm has been focusing on the South Florida market since 2008. At present, W Capital Group is developing Ocean Drive Townhomes, a luxury residential project in the heart of Miami's South of Fifth Neighborhood.
