## RELATED GROUP

VISIONARY

Established in 1979, The Related Group is Florida's leading developer of sophisticated metropolitan living and one of the country's largest real-estate conglomerates. Since its inception, the privately held company has built, rehabilitated, and managed over 100,000 condominium, rental, and commercial units. The firm is one of the largest Hispanic-owned businesses in the United States with a development portfolio in excess of \$40 billion in 40+ years.

The Related Group has earned awards and recognition throughout the United States and internationally for its visionary designs and development of luxury condominiums, market-rate rentals, mixed-use centers, and affordable properties – often in emerging neighborhoods that impact the lives of all demographics. The Related Group has redefined real estate by diversifying both its products and buyers, expanding internationally while also sponsoring public art installations that enhance cities' global culture and streetscapes.

TIME Magazine named the Founder, Chairman, and CEO of The Related Group, Jorge M. Pérez, one of the top 25 most influential Hispanics in the United States. Currently, The Related Group has over 70 projects in varying phases of development. In addition, Pérez and The Related Group boast one of the most extensive, private international contemporary art collections in the world, one in which each piece is carefully selected by our full-time curators in order to achieve the perfect balance of nature, art, and design.

## NICHOLS

ARCHITECT

Nichols is a leading Miami architecture firm specialized in creating iconic hospitality, commercial, and residential projects that inspire wonder and shape communities. Founded in 1967, their vision and building expertise have influenced the transformation of Miami's modern architectural aesthetic and cemented our legacy of innovation in the region.

For over 50 years, Nichols' vision and building expertise have influenced the transformation of Miami's modern architectural aesthetic and cemented our legacy of innovation in the region. Their work has been internationally recognized in the planning and architectural design of mixed-use centers and world-class hotels and resorts, as well as high-end residential, commercial, and retail.

Nichols' project experience includes resort and urban hotels, condo hotels, office buildings, high-rise residential, retail facilities and mixed-use developments that are located throughout the United States, the Caribbean and Bahamas, Central America, South America, and Mexico.

## MERRIMAC VENTURES

VISIONARY

Merrimac Venture's primary focus is on prime resort and mixed-use development but also has extensive investments in multi-family residential, condominiums, retail, and office.

Partners in Merrimac Ventures hold assets of over \$3B in projects, including Miami Worldcenter, the Four Seasons Hotel and Private Residences Fort Lauderdale, The Gale Boutique Hotel and Residences, Paramount Fort Lauderdale Beach, Broadstone Oceanside in Pompano Beach, and the Flagler Village Hotel, among others.

## BAMO

INTERIOR DESIGNERS

For thirty years, BAMO has created captivating environments that flow, function, and make people feel welcome, at ease, and inspired to live – and to dream – more fully.

BAMO engages clients graciously, listening for the unspoken needs beneath their stated desires. Speaking to the psyche through the senses, and building in layers of meaning, they create true havens: places apart from the everyday. Their interpretive skill is matched by the rigor, expertise, and ingenuity they bring to seeing projects through to completion. This is why hospitality, residential, and corporate clients around the world trust BAMO to bring their visions to life.

## ENEA

LANDSCAPE ARCHITECT

Enea is one of the world's leading Landscape Architecture firms. The firm's staff of approximately 200 people is comprised of a multi-disciplinary team of professionals, with backgrounds in Landscape Architecture, Architecture, Interior Design, Technical Design, Engineering, Construction, and Botany. These diverse team members come from over 10 countries, speak more than 15 languages, and bring to Enea a global perspective in Landscape Architecture and design.

The firm is widely known for its ability to deal with the complex design and construction of a variety of projects, including private gardens and terraces, restaurants, hotels and resort environments, corporate gardens, public parks, as well as golf courses. The unique strength of the company lies in its capacity to offer its clients a complete in-house service package, inclusive of the total realization and implementation of a project. Enea begins its work with the planning and construction phases, the design and installation of irrigation and lighting systems, comprehensive garden care, and finalizes each project with the furnishings of the gardens. Enea can offer its clients services that are second-to-none.
