Team

RELATED GROUP DEVELOPER

Established in 1979, Related Group is Florida’s leading developer of sophisticated metropolitan living and one of the country’s largest real estate conglomerates. Since its inception more than 40 years ago, the company has built, rehabilitated, and managed over 100,000 condominium, rental, and commercial units. The firm is one of the largest privately owned businesses in the United States with a development portfolio worth more than \$40 billion. Currently, Related Group has 90+ projects in varying phases of development.

The company has earned international status for its visionary designs and development of luxury condominiums, market-rate rentals, mixed-use centers, and affordable properties – all built with the goal of positively impacting neighborhoods and improving quality of life across all demographics. Related Group has redefined real estate by diversifying both its products and buyers, expanding internationally while also sponsoring public art installations that enhance cities’ global culture and streetscapes.

BH GROUP CO-DEVELOPER

BH Group is a Miami-based real estate development firm focused on the ground-up development of luxury residential projects throughout South Florida. BH has extensive experience in taking a project from acquisition through opening, specifically overseeing all phases of development and asset management. Most are earmarked for redevelopment as mid-and high-rise luxury condominiums, condo-hotels, resorts, and rental communities, generating an unprecedented response from a broad range of local, national, and international buyers.

The stellar team at BH Group brings complementary skills to the real estate market, including acquisitions, construction, design, capital structuring, and asset management. In addition to its core competencies, the BH team brings a vitality and spirit to the business that is most often found in driven entrepreneurs who come from challenging business environments abroad. Finally, BH Group will continue to succeed by nurturing its strong relationships in the real estate market.

ARQUITECTONICA RESIDENTIAL ARCHITECT

Arquitectonica is an international architecture, landscape architecture, interior design, and urban planning corporation headquartered in Miami’s Coconut Grove neighborhood. Arquitectonica began in 1977 as an experimental studio founded by Peruvian architect Bernardo Fort-Brescia, Laurinda Hope Spear, Andrés Duany, Elizabeth Plater-Zyberk, and Hervin Romney. Today, the firm is still led by Bernardo Fort-Brescia and Laurinda Hope Spear and has designed such famous buildings as the Banco de Crédito Headquarters, in Lima, Peru, Atlantis Condominium in Miami, The Pink House in Miami, the FTX Arena in Miami, and the Westin Hotel and entertainment complex in New York, among many others.

ROCKWELL GROUP RESIDENTIAL INTERIOR DESIGNERS

Rockwell Group is an interdisciplinary firm that emphasizes innovation and thought leadership in every project. Founded in 1984 by David Rockwell and led by partners Shawn Sullivan and Greg Keffer, the firm creates extraordinary experiences and built environments the world over.

NATURALFICIAL RESIDENTIAL LANDSCAPER

Naturalficial is a Miami-based practice founded by Andres Arcila, dedicated to the exploration and design of contemporary constructed environments. Naturalficial’s focus is on the exploration and manifestation between natural and artificial conditions. The firm emphasizes research and process-driven design.
