Bespoke Italian Living on Miami Beach

“Miami Beach has been a place that always inspired me. It is where natural beauty meets a sophisticated coastal lifestyle. That’s why we were excited to partner with Lefferts to craft the ultimate beachside address. 72 Carlyle is perfectly positioned on Miami Beach, just moments from the ocean and Intracoastal with immediate access to waterfront parks, Bal Harbour, Surfside, and the Faena District. The stylishly sophisticated waterfront condominium residences frame extraordinary views of the beach and waterways, enhanced with an impressive array of indoor and outdoor amenities. La dolce vita comes to Miami Beach.”
